

## Green General Time-Sharing Schedule C-5

### Description of Schedule

Parent A will have physical custody of the child(ren) four consecutive overnights [Thursday] through [Monday] morning every other weekend.

In addition, Parent A will have one session lasting [two] to [three] hours during the week on the weeks that Parent A does not have the overnight physical custody of the child(ren).

Sample Calendar

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

\* 2-3 hr sessions    \* Overnight session    Parent A: ☒ Parent B: ☐

Parent B will have physical custody of the child(ren) for the remainder of the month.

### Advantages

- The child(ren) have regular and frequent contact with each parent.
- The child(ren) see each parent several times per week.
- The child(ren) have a full weekend with each parent.
- Provides sufficient time for parent-child bonding assuming that parents engage the child(ren) in activities that promote bonding.

### Disadvantages

- May be too long for child(ren) to be away from either parent.
- Every other week, one parent will not see the child(ren) for several days.
- Parents need to agree about arrangements for the child(ren)'s extra-curricular activities, especially if the extra-curricular activities take place during the weekend.
- Parents must communicate frequently and well when child(ren) transition from one house to the other weekly or multiple times during the week.
